November Bulb and Seed Exchange 2026 Once again, members have expressed interest in running an exchange for summer-growing bulbs and ephemeral (short-lived) seed. We are planning to run the exchange on the same timing, even though some of the seeds spoiled last year by being kept too long. Material should be sent out mid-November, so it can be planted and started into growth in a timely fashion.

2027 Bulb & Seed Exchange Jon Evans hopes to run the popular Bulb and Seed Exchange again in Summer 2027. This is a service for SABG members only. If you are not already a member and would like to take part, please read About the SABG and How to join the SABG. The rest of this page describes the Summer 2026 Exchange, until information for 2027 becomes available.
