### Approaching Farnham from the South and West:

It is easiest to leave the M3 at Hook and follow the A287. As you approach Farnham, do not turn left towards Fleet. Do not turn right down the hill towards Farnham; go straight over two sets of traffic lights. After the second lights the road descends, and there are parked cars on the right hand side. After these turn right by a War memorial into Wings Road - there is a cricket ground beside the road. The car park is on your left immediately after the cricket ground.

### Approaching Farnham from the North and East:

I am assuming you will either have left the M3 at Farnborough and come down the A331, or have followed the A31 from Guildford. Either way, if you approach Farnham from the east on the A31, turn right at the big 'Shepherd and Flock' roundabout onto the A325, and then immediately left at the Sainsburys mini-roundabout. At the next roundabout ('Six Bells') go straight-over, following the A325, and then immediately left at the traffic lights, into Upper Hale Road (signed A3016 Odiham) and up the hill. After roughly half a mile, immediately past the cricket ground on your left, turn left in front of the war memorial into Wings Road. The car park is on your left immediately after the cricket ground.

**Lunch**

Please note that this hall is not next door to a supermarket. There is a Tesco Express within walking distance, and larger supermarkets about 5 min drive away, but I recommend members bring a packed lunch.
