Autumn 2024 meeting

Our next meeting will be on **Sunday 20th October 2024**.

The speaker for this meeting is **Alex Summers**, who was until recently the curator of the National Botanic Garden of Wales, now working in a National Trust garden. He will give a talk (title to be agreed). The NBGW has a large section devoted to plants from regions with a Mediterranean climate, including a collection of South African bulbs.

[Directions to the meeting hall](#). The doors will open at 10.00, and the meeting will close at about 14.30. SABG members, their guests and visitors are welcome. Admission is £3.00 and parking is free.

The PBS List is an email discussion of bulbs, sponsored by the Pacific Bulb Society, for people around

the world. Although bulbs (defined more broadly to include all geophytes) are the focus, we recognize that people who grow them probably grow other things too and will be talking about them from time to time.
